### PROFILE

A final-year Bachelor of New Media Communication student at Universiti Malaysia Perlis, seeking an internship to gain practical industry experience. I am eager to further develop my management and communication skills while applying my knowledge in digital media and content creation. A fast learner with strong adaptability, I am committed to contributing effectively while continuously improving my professional capabilities.

### EXPERIENCE

#### Digital Marketing & Media Assistant

- Managed daily content creation, scheduling, and audience engagement for Instagram and TikTok platforms.
- Designed visuals and short-form videos using CapCut and Adobe Premier Pro.
- Assisted in basic digital marketing execution while maintaining consistent brand communication across platforms.

#### Camera Operator & Video Editor

- Operated mirrorless camera during live productions with proper framing, focus, and movement based on director instructions.
- Supported post-production editing for event documentation and reporting materials during university and program activities.

#### Photography & Videography

- Handled complete visual documentation of program activities through photography and videography.
- Produced media materials for reporting, archiving, and promotional purposes.

### LANGUAGES

- Malay (Native)
- English (Fluent)
- Japanese (Basics)
